PAGODA HILLCLIMB

Eikenberg finally takes first: 'This is a big deal for me'

By Josh Liddick
Reading Eagle

After a day of racing on Saturday with wet pavement from Friday's showers, the weather was picture-perfect and the track was dry for the second day of racing Sunday on Duryea Drive.

The Pagoda Hillclimb, a 1.3-mile event, is raced annually in the last week of June as part of the Pennsylvania Hillclimb Association series.

The event features nine very challenging turns and a 450-foot increase in elevation.

For the last 65 years, the race, along with the 2.3-mile race scheduled for Aug. 19-20, has been run on the same surface Charles Duryea, inventor of the first hillclimbing automobile, tested his vehicles.

Because of the wet pavement on Saturday, Kurt Eikenberg from Stewartstown, York County, didn't get a chance to race on the first day of the hillclimb. However, three runs on Sunday were enough to seal the deal against 100 other hungry competitors.

Eikenberg, who drives a 1994 Chevrolet SRI, finished the event with the fastest time of the day (FTD) at 77.387 seconds.

Runner-up Bob Gardner of Newark, Del., got his 2006 Stohr WF-1 into a bit of an accident earlier that halted his chances of improving his time of 77.971.

That gave Eikenberg the long-awaited victory.

Eikenberg explained that winning the hillclimb is an achievement he's been work-

ing towards for some time. "This is a big deal for me," he said.

Eikenberg has claimed other FTDs before, especially in the Weatherley Hillclimb, where he had an FTD two weeks ago to add to his collection of six or seven in his career at that course.

"(Duryea Drive) is a much faster course; you get a lot more experienced drivers," Eikenberg said. "It's a lot of fun."

He's been behind the wheel of a race car since 1972, but started running on Duryea Drive in 2005.

For this year's edition of the historic event, Eikenberg captured his first FTD in the hillclimb after 12 years of trying. "It's a long time coming," he said with a laugh.

With 100 other cars, some vintage, some open-wheeled, and some stock racers from

all over the East Coast made the pilgrimage to Reading for this prestigious event.

There was no shortage of local drivers with six from the Reading and many from all over Berks County.

Haley Levensgood, driver of a 1937 Ford Legend and winner of his Inex Mod class, led all drivers from Reading with a quick 83.143 pace, good for the ninth-fastest time of the day. Greg Gialloreto of Kennett Square broke the Spec Miata class track record with a lap of 96.515. All in all, 11 class specific track records were broken between the two days.

Eikenberg explained how he would celebrate his much-anticipated crown.

"I'll get home and I'll unload tonight, after I take my wife out for dinner first of course," he said.
